If no mating occurs, the stud fee will be refunded. If mating occurs, the stud fee will not be refunded in whole or in part. If mating occurs but bitch fails to become pregnant, the owner of the bitch must notify Tiltonhaus German Shepherds in writing no later than 65 days after the date of this contract.

Unless such notice is given in time, the right for a return service is forfeited. A return service of the same dog to the same bitch will be given without charge (if said stud dog is still available) within one

AI's will only be done if the bitch owner approves and will be at the expense of the bitch owner.

We do recommend a progesterone test be performed by a veterinarian, prior to breeding, in order to help the owner to determine optimum breeding time. Unless such notice is given, the right of a return service is at Tiltonhaus German Shepherds option.

The kennel shall not be liable for any loss or damage to the bitch from disease, death, running away, theft, fire, injury from other dogs, persons or property, or acts of God or unavoidable causes, nor shall the kennel be liable for any loss or damage to persons, property or other dogs caused by the bitch.
